# The trusted way to do business.

A simple and easy way for customers to release payments on time when working with businesses.

# We protect both the customer and service provider

EskroPay allows businesses to engage with customers knowing that payments will be made on schedule or ondemand. Customers can be reassured that their money is safe during their project and release when needed.

### **Become a Customer**

Don't feel nervous engaging with a business again! Your payment is secured and only released when you agree. A trusted system for your next project.

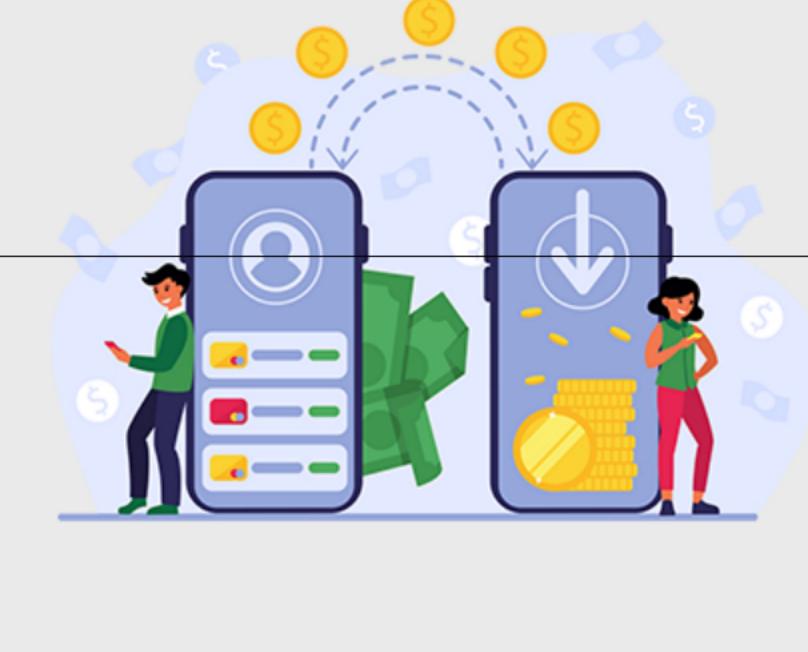

I want to be a Customer

## **Become a Service Provider**

No more cash flow problems or dealing with late paying customers. Be confident that your work will be rewarded on time.
